RE: Lakeshore East

Dear Ms. Simon:

It is our intent, as the future developers of the site, to delineate the contamination anomalies prior to the commencement of any construction. Currently, we are cooperating with the existing property owners to conduct the necessary surveys. We will share the results of these surveys with you, just as soon as we receive them.

Should you have any questions, please feel free to call me at 312.642.8869x355.

Very truly yours,

LAKESHORE EAST LLC
